A Growing Tradition

This year's studio art tour involves 27 artists, 12 studios, and 2 student art groups. Local artists will once again open up their studios and showcase their work to the public. Come out and see the fabulous selection of one-of-a-kind jewellery, pottery, wood sculpture, glass, and paintings! Don't miss this opportunity to purchase unique decorative pieces direct from the artists themselves. With so many studios the event promises something for all tastes!
