

Summer Day Camp Volunteers Needed

The South Simcoe Arts Council is looking for volunteers to help with workshops at its 2010 summer camp programs. The children are ages 8-13 and have a passion for the arts. If you have a special artistic talent or gift, we would love you to share your expertise with the camp's budding artists, or if you just love to work with children, you can help supervise. The camps are located around South Simcoe.

Help at one or more of the camps, depending on your availability.
